THE STORY SO FAR

His goal is the reward for his perfect attendance record, and he dreams for the future is to have a long life. Yoshikawa Haruo is a 2nd year middle schooler being given a considerable. Even though he was born into the home of a family of magic users, he has no ability of his own. Last time, one day, in front of him appeared a mysterious girl, Mamiya Ayumi. She is the eldest daughter of the Mamiya household, a noble family from the magic world. By looking in the forbidden "Mirror of Future Vision" she became cursed if the curse is not removed, she will lose all her powers. But only Haruo, who was reflected in the mirror, can remove her curse... She came to be in the house of the Yoshikawa family as a maid with strategies to turn Haruo into becoming a real man, but blocking the way are Maika, Chika and Fuyuno. The 3 sisters who love their older brother dearly. And there is the 2nd part, canon character Taka, a childhood friend of Haruo's and student council president of the Sakurawon middle school. Then there's Miyuru Ikoma, a descendant of a family of witch hunters. The battle with Ayumi is starting to heat up again! The situation is getting more and more ridiculously confusing... What will happen with Ayumi's curse? Will Haruo be taken as a strong man? Or...? This is the 2nd volume for your pleasure to observe fully loaded episodes with the 3 sisters of the Yoshikawa family + the entry on stage of a mysterious maid!

### TRANSLATOR'S NOTES:

For those who didn't know, Nigori or "Nigotamori" is the famous female body dish, it's where sushi or other Japanese dishes are served over a naked woman's body.

Okashidake Kiyochi, the young chef always uses "SWEETS" to refer either to his cakes or his female fans, in the Japanese texts the convention from cakes to sweet-hearts seem to work well like pun, but it's pretty hard to capture in English. So I just used whatever would suit the lines without totally changing the thought of the entire dialogue.

Well, the work on this chapter took far longer than expected... There had been a lot of complications going on behind the scene, but were glad that we were finally able to get this out of our system.

### • TRANSLATOR'S NOTES:

For those who didn't know, Cat Sidhe is pronounced as "caught shee" it is a fairy from the Celtic Mythology which is said to resemble a large black cat with a white spot on its breast. It is well known in Irish and Scottish folklores and it is said to haunt the Scottish Highlands. In some articles it was somewhat connected with Puss in Boots.

Finally chapter 13 has been completed! It took a while to complete this because of lots of real life stuff, we hope you enjoyed reading!

sketch of the

from the opening  
chapter 1 though,  
she does not

margin

## Part 1★

During the time when I made this sketch,  
I was thinking about a detective story  
of an Esper girl and a boy who is an  
occult enthusiast, remnant of that plot  
was Ayumi's last name "Mamiya".  
I included "Esper" in her last name...

- ※ TN. IT MAY BE CONFUSING FOR THOSE WHO DON'T KNOW  
AYUMI'S LAST NAME IS COMPOSED OF 3 CHARACTERS BEING  
THE FIRST CHARACTER HAS SOMETHING TO DO WITH THE  
SUPERNATURAL. "ESPER" IS A TERM FOR A PERSON WHO  
HAS/OR CAN USE E.S. (EXTRA SENSORY PERCEPTIONS

MORIMURA

The three Yozuramen Sisters were not supposed to be Haruo's sisters, but other characters. Maika was Haruo's childhood friend, Quasi was his classmate and Fuyuno is a friend's younger sister. All naturally have feelings for him. With their names I decided to make them his younger sisters.

### TRANSLATOR'S NOTES:

For further clarifications on how Moka, Chiaki and Fuyuno became Haruo's sisters. It is most likely because of their names. Haruo's name is made up of two characters 春生 where as the first character is read as "Haru" (春) which means "Spring" in English. I believe most of you have noticed that Fuyuno calls Moka "Matsu-neechan" which sounds far off from her name, actually, Moka's name is also made up of 2 characters 真夏 where as the second character can be read as "Matsu" (夏) which means "Summer" in English. I'll go through Chiaki and Fuyuno on the next chapter.
